Statistical Report on Security Office

*	Records Series	107	
*	Total volume (linear feet)	3,332	
	Temporary material (linear feet)	551	
	Temporary material (percent)	16.5	
	Permanent material (linear feet)	56	
	Permanent material (percent)	1.7	
**	Indefinite material (linear feet)	2,724	
	Indefinite material (percent)	81.8	
	Filing equipment (pieces)	650	
	Filing equipment (dollar value)	\$82,357.83	
	Transfer to Records Center (11.ft.)	0	(1956)
	Transfer to Records Center (11.ft.)	0	(1957)
	Transfer to Records Center (11.ft.)	45	(1958)

\* In addition, there were 62 items totaling 283 linear feet which were handled separately because they were old inactive files subject to destruction.

\*\* This material includes both temporary and permanent records which the Security Office insisted on retaining indefinitely. It would have taken a more detailed study, which was not allowed, to determine which of the records were permanent and which temporary.
